

The Original Shaft Mount Reducer

Hydraulically Powered - HYSMR Series

Fully HXT compatible, mounts directly to the driven shaft

WorldWide Electric's Original Shaft Mount Reducer is dimensionally equivalent to the popular HXT series shaft mount reducers to provide you with the perfect solution for all of your most demanding applications. Designed to accept all HXT compatible accessories without issue, the Original SMR allows you to take full advantage of your existing safety stock and installed base. For new applications, WorldWide Electric offers a complete line of our own motor mounts, belt guards, tapered bushing kits and backstops to complement your existing operations.
